

LONG BENNINGTON MEDICAL CENTRE

***NEW* EXTENDED ACCESS APPOINTMENTS**

We are pleased to be able to now offer our patients access to **routine, pre-booked appointments at evenings and weekends.**

This new service is part of an extended access service which has been commissioned by NHS South West Lincolnshire Clinical Commissioning Group.

Extended hours run between **18:30 and 20:00 weekdays** and **09:00 and 12:00 Saturday and Sunday** and are available on bank holidays and across the Easter, Christmas and New Year periods.

Appointments are for pre-bookable, non-urgent consultations with GPs and Nurses and Physiotherapists.

The service is being delivered **at the St Peter's Hill Surgery** and managed by a federation of GPs in the Grantham area. This means that your appointment could be with a health professional from any of the federation practices.

To arrange an appointment please speak to our practice receptionist on 01400 281220.

When booking an appointment **you will need to consent** to a Consulting Clinician, which may not be your own GP, viewing and updating your health record.
